

RETRACTION

<http://dx.doi.org/10.1590/0100-3984.2020.53.2R>

The Editorial Board of **Radiologia Brasileira** is officially communicating the Retraction for extraction of the following article:

Lee JC, Teles MS. Prevalence of additional primary malignancies detected incidentally on PET/CT. Radiol Bras. 2020;53(1):69. <https://dx.doi.org/10.1590/0100-3984.2019.0097>.

Reason: Duplicate publication of an article published in a previous issue of **Radiologia Brasileira**:

Lee JC, Teles MS. Prevalence of additional primary malignancies detected incidentally on PET/CT. Radiol Bras. 2019;52(5):342. <https://dx.doi.org/10.1590/0100-3984.2019.0097>.
